To connect to parasols equipped with side panels. Same composition as side panels CLASSIC and PLUS. With cutout for rain gutters. Panels are interconnected with zippers. Use Connection Piece PLUS for Side Panels LUX.

Premium Acrylic Awning Fabric, Ferrari Precontraint 302, Mosquito Net

65 € / qm

Premium Acrylic Awning Fabric All Weather

78 € / qm

Print on parasols

Digital print and screen print

Advertising printed by screen print method

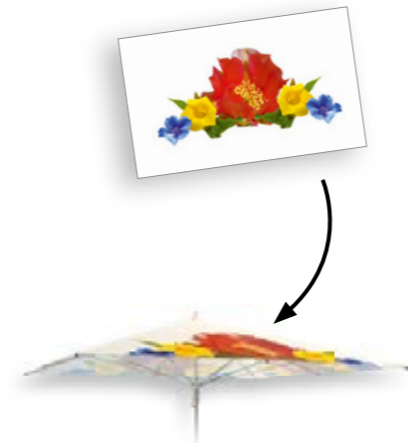

Premium acrylic awning fabric is an excellent material for screen printing. Your logo or motif can include up to 4 colours (no raster print). If interested, please ask for a free quote.

Screen print method sample

Advertising printed by digital print method

Due to the full-scale digital print, even the most demanding graphics can be implemented attractively. Of course, the canopies can also be printed over the entire surface with digital printing. However, only covers made of Swela Parasol or Swela Sunvas.

Digital print sample

Basic price per motif

120 €

Files provided. In case more extensive graphical work, such as retouching, colour adjustments, etc., should be necessary, they will be charged separately. In these cases, you will get a detailed quote in advance.

Rate per hour for graphical work

70 €

Digital print (transfer printing) per squaremeter of fabric

23 €

(For umbrellas with valance including surface of the valance)

Additional fee for fabric

Ferrari Precontraint	Price group 2
Swela Parasol	Price group 2
Swela Sunvas	Price group 3

see table „Special Fabrics“ on page 26 and 27.
